 Dear Sir:

This is in response to the Notice Of Drawing Inconsistency With Specification dated July 21, 2008 in this application.

**Replacement Drawings**

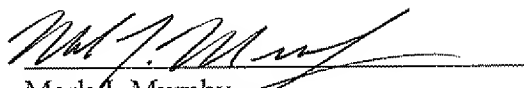

X In the Notice, the Patent Office states that Figures 21C, 21D are listed in the Brief Description of the Drawings in the specification but not contained in the Drawings filed 7-18-08 (Transmittal of Formal Drawings). Through a clerical error, the sheet of formal drawings with Figures 21C, 21D was not filed with the other formal drawings. Applicants are filing herewith the formal drawing for Figures 21C, 21D. No changes have been made to the drawings, other than formalizing them, and no new matter has been added. Accordingly, it is requested that this replacement sheet of drawings be entered, and this objection withdrawn.
